MEMORANDUM FOR: Assistant Director for Operations

STATINTL THROUGH : Deputy Director (Intelligence)

SUBJECT : [REDACTED] Property Accountability

REFERENCE : Your Memorandum dated 29 January 1954,
Subject Above

1. Due to the special nature of the operation described in the reference, establishment of a special property account within your Office is considered to be advisable. This account can be established on a minimum requirement basis and manually maintained. Agency Regulations [REDACTED] now being published will supersede Procurement and Supply Manual (Regulation [REDACTED]) and will provide guidance in carrying out the responsibilities of the accountable officers. The Supply Division, Logistics Office, will gladly furnish assistance in establishing this account and will provide any detailed information required. The Chief of the Supply Division can be contacted on Extension 3442.

2. Material having operational potential and no longer required for the [REDACTED] program should be made available to the Supply Division, Logistics Office. The Supply Division will also furnish any service desired in disposing of any scrap or salvage generated by this program. In either event, no transfer of funds will be involved.

3. No financial accounting will be required if these items are exchanged with other Government agencies on a quid pro quo basis.
